Michele,

Thanks for the info this morning on the other RBA studies going on – that was very helpful. As we discussed, the San Jacinto PRPs would like to do a WEBEX presentation on the RBA factor for the San Jacinto Site – basis, supporting information, etc. Please let me know if you and the other HQs folks would be available for the presentation on 12/16/2014; or if not what other dates would work.

Thanks,

Gary and Phil – Thank you for taking time to talk with me and Jennifer this morning about the RBA factor at the San Jacinto site. Following up on our discussion and dates regarding a potential WebEx meeting with you and USEPA Headquarters folks, we would prefer to conduct that meeting on Tuesday, December 16<sup>th</sup>. Please let me know as you determine a time and participants on your end, and I will send a meeting invite to get it in folks calendars.

Regards,  
David
